Vision

The Department of Athletics' Vision is to create and support an environment where student-athletes can achieve athletic success at university, regional, and national levels while maintaining a high degree of academic achievement. It is also our goal to nurture loyalty among our graduates through their experiences in athletics.

We offer equal opportunities for male and female student-athletes to participate in a wide variety of intercollegiate sports and adhere to the NCAA Division III rules and philosophy. We monitor the academic progress of our student-athletes and support them in their quest to achieve academic success at the university. We provide services and activities to promote positive health and well being of all our student-athletes through the whole-person concept by fostering the growth of fair play and sportsmanship, leadership, self-discipline, personal integrity, and social responsibility.
