

Overseas Study Programs

Travel and study abroad are recognized by Norwich University as valuable elements in a student's general education. Students who wish to study abroad under one of the programs approved for possible inclusion in an undergraduate's regular curriculum at Norwich University must have a grade-point average of 2.5 or better, must demonstrate proficiency in the language of the country in which they plan to study, and must present well in advance of their proposed stay in the foreign country a coherent program of study satisfactory to the chair of their department and the Registrar of the University (see Academic Regulations). There are a number of excellent overseas study programs for which credit is granted by American institutions of higher learning. Among the countries in which such opportunities exist are Great Britain, France, Germany, Austria, Switzerland, Italy, Spain, Japan, China, and Russia.
