Graduation Requirements for all Baccalaureate Degrees

The B.A. requirements are embedded within the B.A. degree programs and are the responsibility of the College of Liberal Arts to verify for degree completion. For new first time students, the catalog requirements are determined by the year they enter Norwich. For transfer students, re-admitted students, and students who change majors, the determination of catalog year is made by the student's adviser at the time of transfer, re-admission, or change of major.

- No degree shall be conferred, or diploma awarded, until the recipient has paid all University bills or arranged for payment to the satisfaction of the Chief Financial Officer.
- No undergraduate degree shall be conferred, or diploma awarded, until the SVPAA and Commandant has cleared the student's record.
