

Course Overloads and Audits

Credit Overload (Extra Credits)

Well-qualified degree completion students may elect to enroll in more than twelve (12) undergraduate credit-hours per semester subject to approval by the Chair of the Department of Continuing Studies.

Course Audit

Students taking courses as “auditors” will receive the notation “AU” on their permanent academic record in lieu of a grade and credits if the obligations of the auditor have been satisfactorily met. If the auditing student’s performance is not deemed to have been satisfactory, no course entry will be indicated on the student’s academic record.

Audit students are expected to participate as outlined by the Chair of the Department of Continuing Studies. Audited courses may not be applied against degree requirements.
