

Pre-requisite, Co-requisite, and Repeat Courses

Prerequisites

Students shall not be registered for a seminar having prerequisites without having successfully completed those prerequisites or be allowed to remain scheduled for the successive seminar if the prerequisite seminar was not completed successfully. Exceptions to this policy are at the discretion of the program director.

Repeat Seminars Grade Policy

A student shall not receive credit twice for any seminar except those seminars whose Catalog description permits repetition for credit. If a previously graded seminar is repeated and a grade other than "W" is earned, only the last grade earned in the seminar will be calculated in the grade point average (GPA). All grades previously earned in the seminar will be removed from the GPA calculations even in the event that a lower grade is earned upon repetition of the seminar. If a failing grade is earned upon repetition of a seminar, any previous credit earned will be lost. Credit by examination does not constitute a repetition under this provision.
