Total Credits For This Major: 121		

- 1 Must be taken first year. Upper level students without credit for these courses will substitute with an Elective Course from a School of Business & Management subject area. This must be done via a petition.
- 2 **MA 107 must be completed prior to the Fall of Sophomore Year.** Failure to do so will lead to a lengthening of the time to complete the program. If MA 103 is required by Placement Test results, a grade of C or higher is required in MA 103 prior to taking MA 107. If required MA 103 will be counted as one of the Elective Courses.
- 3 AC 205, AC 206, EC 201, EC 202 require a grade of C or higher.
