

Appendix C: Norwich University Honor Code

Student Code of Conduct

Every Norwich University student commits to abide by the University Honor Code:

A Norwich student will not lie, cheat, steal, or tolerate those who do.

This is particularly important in the online classroom. Students must ensure that all work is their own, sources are properly referenced in all assignments, and they have reviewed and understand the University's academic integrity policies. To ensure that you understand how seriously we take academic integrity, two sections of this catalog are devoted to this topic: Appendix A: Academic Integrity (<http://catalog.norwich.edu/archives/2017-18/onlineprogramscatalog/appendices/appendixaacademicintegrity>) and Appendix B: Academic Dishonesty (<http://catalog.norwich.edu/archives/2017-18/onlineprogramscatalog/appendices/appendixbacademicdishonesty>).
