

Finance

Professor D. William Jolley; Associate Professors David Blythe and Thomas Yandow; Assistant Professors Alex Chung and Kahwa Dougouih; Lecturer James Rogler.

Goals:

In a rapidly changing and complex financial environment, college graduates in all disciplines will need financial management knowledge and skills to fulfill their professional careers and their own personal lives. The goal is to promote financial literacy. As a result, they must understand financial terminology, how to make budgets and how to channel resources and invest. Students should be able to make informed financial decisions.
