

Degrees/Majors/Minors/Concentrations

DEGREES

Students may not use Graduate Level credits (courses numbered above 499) to meet Undergraduate requirements, this includes transfer credits. Graduate credits must be beyond those required for the baccalaureate degree, and cannot count toward the baccalaureate degree.

Students must be in Good Academic Standing to be awarded a degree.

All requirements for all degrees, majors, minors, concentrations must be completed prior to the degree being posted.

Undergraduate

Norwich University awards the following undergraduate degrees: Bachelor of Arts, Bachelor of Science, Bachelor of Interdisciplinary Studies. Degree candidates are subject to the degree/major requirements of the catalog year which they have declared.

Undergraduate Degree Requirements

Complete overall requirements.

- A minimum of 120 or more total undergraduate credits in courses numbered 100-499.
- A cumulative grade point average of 2.0 or above for all undergraduate credits.
- Complete at least one-fourth of the required degree credits from Norwich University.

Bachelor of Science (BS)

The Bachelor of Science degree includes General Education requirements plus a minimum of 30 credits toward a specific major so that a minimum of 120 credits are earned. BS degrees are awarded with majors in Accounting, Architecture Studies, Athletic Training, Biology, Biochemistry, Chemistry, Civil Engineering, Communications, Computer Science, Computer Security & Information Assurance, Construction Management, Criminal Justice, Cyber Security, Education, Electrical & Computer Engineering, Engineering, Environmental Science, Exercise Science, Geology, Health Sciences, International Business, Management, Management Studies, Mathematics, Mechanical Engineering, National Security Studies, Neuroscience, National Security Studies, Nursing, Physical Education, Physics and Strategic Studies & Defense Analysis.

BS requirements:

Refer to the specific major (<http://catalog.norwich.edu/archives/2018-19/residentialprograms/catalog/majors>) section of this catalog.

Bachelor of Arts (BA)

The Bachelor of Arts degree includes General Education requirements, Bachelor of Arts requirements plus a minimum of 30 credits toward a specific major so that a minimum of 120 credits are earned. BA degrees are awarded with majors in Criminal Justice, Chinese, English, History, International Studies, Political Science, Psychology, Spanish, and Studies in War & Peace.

BA Requirements:

1. Knowledge of a modern language demonstrated by completing two courses (for beginning language instruction, 4 credits per course, otherwise 3 credits per course), consistent with the student's score on the Foreign Language Placement Test (FLPT), taught in the target language by the Department of Modern Languages.
 - The FLPT is used for placement into Norwich language courses only. No credit is awarded based on the student's score on this test.
 - Modern Language coursework transferred from an accredited institution may be substituted for Norwich courses, to satisfy this requirement.
2. A minimum of two 3-credit Intercultural Knowledge and Competence courses. The courses meeting this requirement emphasize a comparative approach which involves multiple perspectives regarding one or more cultural differences (ethnicity, gender, race, religion, sexuality, disability studies, etc.) within the United States or across multiple societies.
 - Courses satisfying this requirement must be taken from OUTSIDE the major program, meaning the course must have a subject different from the courses in the student's designated primary major program.

Intercultural Knowledge and Competence Courses:

Bachelor of Interdisciplinary Studies (BIS)

The Bachelor of Interdisciplinary Studies degree includes General Education requirements, major-specific requirements, plus a minimum of 30 credits; 120 total credits are required.

Graduate

Norwich University awards the following graduate degrees: Master of Architecture (MARC), Master of Arts in History (MAH), Master of Arts in Military History (MMH), Master of Arts in Diplomacy (MDY), Master of Arts in International Relations (MIR), Master of Business Administration (MBA), Master of Civil Engineering (MCE), Master of Public Administration (MPA), Master of Science in Criminal Justice (MSCJ), Master of Science in Executive Leadership (MSEL), Master of Science in Leadership (MSL), Master of Science in Information Security and Assurance (MSISA), Master of Science in Nursing (MSN), Master of Arts in Strategic Studies (MASS). Degree candidates are subject to the degree/major requirements of the class catalog year to which they have declared.

Graduate Degree Requirements:

- Complete at least 30 credit hours of course work as prescribed by the program of admission.
- Complete at least three-fourths of the required degree credits at Norwich University.
- Maintain an overall GPA of 3.0 or above.
- Earn no more than six credits worth of C/C+ grades.
- Attend the required on-campus Residency Conference (<http://catalog.norwich.edu/archives/2018-19/onlineprogramscatalog/mastersdegrees/residencyconferencerequirement>) (not required for MARC graduates or students who have already attended Residency as part of their graduation requirements for a Norwich major).

Earning Two Undergraduate Degrees

Students may elect to fulfill the requirements of the BA, BS and BIS degrees in different majors and be awarded separate degrees. For example, a student may earn a BA in Psychology and BS in Computer Science.

- The General Education requirements for the University only need to be met once; however, students must meet any specific General Education requirements for the academic program(s) and all major requirements for each degree.
- Students are awarded separate diplomas for each degree.
- Both degrees are listed on the official transcript.

Earning Two Graduate Degrees

Students may earn more than one master's degree through the College of Graduate and Continuing Studies in two different programs. For example, a student may earn a MBA and a MPA.

- A minimum of 45 graduate credits are required to be awarded multiple master's degrees (MBA, MPA, MSL, etc.)
- Students are awarded separate diplomas for each degree.
- Both degrees are listed on the official transcript

MAJORS

Baccalaureate Degrees: The field of academic specialization within a degree. It is defined as the departmental requirements of:

- at least 30 credits
- at least two courses must be at the 300-400 level.
- Interdisciplinary majors may include courses from more than one related academic discipline

Master Degrees through the College of Graduate & Continuing Studies:

- At least 30 credits (500 level (or above))
- Attendance at a Residency conference

Master Degree in Architecture:

- At least 34 credits (500 level)

Choice of Major

Students must meet requirements, as determined by the Department Chair/School Director, to be accepted into the desired major.

Change of Major

To change a major requires students to submit a signed Major/Minor Declaration form to the Registrar's Office. The form requires the approval of the Department Chair/School Director, the assignment of the new adviser and the old adviser and the catalog year that the student will follow.

Additional Majors

To declare an additional major, students submit a signed Major/Minor Declaration form (<http://www.norwich.edu/registrar/wp-content/uploads/sites/3/2014/02/declareMajorMinor.pdf>) to the Registrar's Office. The form requires the approval of the current adviser, and Department Chair/Director of the second major as well as the second adviser assigned by the Department Chair/School Director of the second major. The student will follow the catalog year of the primary major.

Earning Two or More Undergraduate Majors

Students may elect to fulfill the requirements for two or more majors and be awarded a multiple-major degree. Such action requires the approval of all departments. For example, a student may earn a BS in Engineering and Management.

- All majors must be a BA, BS, or BIS degree.
- The General Education requirements for the University only need to be met once; however, students must meet any specific General Education requirements for the academic program(s).
- All requirements for all majors must be met. If majors are different degrees, then the student applies for two degrees (see above).
- Students may not earn both a major and a minor in the same field of specialization.
- All requirements for all majors must be completed prior to the degree being posted.
- Students are awarded one diploma for all majors
- All majors are listed on the official transcript (as one degree).

Dismissal from a Major

School Directors/Department Chairs have the authority to dismiss a student from a major for academic deficiency or unsatisfactory performance in a clinical program or an internship, practicum or program. Copies of dismissal letters must be sent to the Registrar's Office.

MINORS

A minor consists of:

- Six courses of three or more credits completed with a grade of C or higher.
- No more than three of the six courses may be transfer courses (from another institution/or exams such as CLEP).
- May include courses from more than one related discipline.
- Students may not earn a concentration, a minor or a major in the same field of specialization (see chart below).
- Minors are not printed on diplomas
- Minors are listed on the official transcript
- Minors are not awarded after a Bachelor's Degree has been awarded

Earning Two or More Undergraduate Minors

Students may elect to fulfill the requirements for two or more minors and be awarded a multiple-minor degree. Such action requires the approval of all departments.

- All requirements for all minors must be completed prior to the degree being posted.
- Minors are not printed on diplomas
- All minors are listed on the official transcript

To declare a minor, students submit a signed Major/Minor Declaration form to the Registrar's Office. The form requires the approval of the student's adviser, the Department Chair/ School Director of the academic department that offers the minor. Minor requirements will follow the catalog year of the student's primary major.

Minor	Major/Concentration Prohibited
Accounting	Accounting major
Architecture	Architecture Studies major
Biology	Biology major
Business Administration	Accounting major, Management major
Chemistry	Biochemistry major, Chemistry major

Dismissal from a Minor

School Directors/Department Chairs have the authority to dismiss a student from a minor for academic deficiency or unsatisfactory performance in a clinical program or an internship, practicum or program. Copies of dismissal letters must be sent to the Registrar's Office.

CONCENTRATIONS

Undergraduate concentrations are available only to students enrolled in the major under which the concentration is listed.

A concentration consists of:

- Complete at least 18 credits in a specialized area within a major
- No more than 9 credits may be transfer credits (from another institution/or exams such as CLEP).
- May include courses from more than one related academic discipline.
- Students may not earn a concentration, or a minor, in the same field of specialization (according to the chart above)
- Concentrations are now awarded after a Bachelor's or Master's Degree has been awarded
- Concentrations are not printed on diplomas
- Concentrations are listed on the official transcript

Earning Two or More Undergraduate Concentrations

Students may elect to fulfill the requirements for two or more major concentrations and be awarded a multiple-concentration (for the same major) degree. Such action requires the approval of all departments. For example, a student may earn a BS with a major in Management with an Economics concentration and a Management major with a Marketing concentration.

- All concentrations must be from majors that are either a BA or BS. If the concentrations/majors are different degrees, then the student applies for two degrees (see above).
- All requirements for all concentrations for all majors must be completed prior to the degree being posted.
- Students may not earn the same concentration for different majors, degrees, or programs
- Concentrations are not awarded after a Bachelor's Degree has been awarded
- Concentrations are not printed on diplomas
- All concentrations are listed on the official transcript

Earning Two or More Graduate Concentrations

Students may elect to fulfill the requirements for two or more concentrations and be awarded a multiple-concentration degree. Such action requires the approval of the Program Director. For example, a student may earn a MS in Leadership with a Public Sector Leadership concentration as well as an Organizational Leadership concentration.

- All concentrations must be from the same graduate program. If concentrations are from different programs, then the student applies for two degrees (see above).
- A minimum of 42 graduate credits are required to be awarded a multiple-concentration degree.
- Students are awarded one diploma for all concentrations.
- Concentrations are not printed on diplomas
- Concentrations are listed on the official transcript (as one degree).
- To declare a concentration, students submit a signed Major/Minor Declaration form to the Registrar's Office. The form requires the approval of the student's adviser, the Department Chair/School Director of the academic department that offers the concentration.
- Concentrations are not awarded after a Master's Degree has been awarded

Course Waiver or Substitution

To waive a prerequisite course requirement, students must be given approval from the Department Chair/School/Program Director.

To waive courses for major or minor course requirement, students must secure signatures/approval from:

- Advisor
- Department Chair/School Director/Program Manager of the Student's Major

on a Degree Program Waiver /Substitutions form (<http://www.norwich.edu/registrar/wp-content/uploads/sites/3/2014/02/degreeWaiverSubstitution.pdf>). Credits waived must be replaced with Free Electives.

To substitute courses for major or minor requirements, students must secure signatures/approval from:

- Advisor
- Department Chair/School Director/Program Manager of the Student's Major

on a Degree Program Waiver /Substitutions form (<http://www.norwich.edu/registrar/wp-content/uploads/sites/3/2014/02/degreeWaiverSubstitution.pdf>). The advisor must indicate what course will be used to replace the major or minor requirement.

CERTIFICATES

An Academic or Professional certificate certifies that a person has received specific education and therefore is considered competent in a certain specific skill area. An Academic certificate may be awarded for completion of an approved set of credit-bearing courses at the undergraduate or graduate level. A Professional certificate may be awarded for a conference, a course, a seminar, or a designated set of courses or seminars focused on a specific topic or theme which students may study separately from, or in addition to, their degree requirements. The specific number of credits required for certificates vary by the individual certification program. Admission into a certificate program does not guarantee admission into a degree program.

Graduate Certificates:

- Bachelor degree required for admission to graduate certificate offerings
- Minimum 12 graduate (500 level or higher) credits
- Courses used to fulfill certificate requirements must have grades of B or higher

Graduate Professional Certificates:

- Bachelor degree required for admission to graduate certificate offerings
- No minimum graduate (500 level or higher) credits
- Courses used to fulfill certificate requirements must have grades of B or higher

Undergraduate Academic Certificates:

- No previous degree requirement
- Minimum 12 undergraduate credits
- Courses used to fulfill certificate requirements must have grades of C or higher

Undergraduate Professional Certificates:

- No previous degree requirement
- 0-36 credits
- Courses used to fulfill certificate requirements must have grades of C or higher

Completion Certificates:

- 0 credits (minimum four contact hours)
- Awarded for participation in a short-term conference, course, set of courses, seminars or other learning event developed around a specific topic or area of knowledge for which degree credit is not awarded.
- Students enrolled in a Certificate of Completion program are classified as non-matriculating students.

Certificates are not awarded retroactively

Earning Two or More Certificates

- Students may elect to fulfill the requirements for multiple certificates and be awarded all certificates.
- Students may receive an Academic Undergraduate certificate for completion of an approved minor or concentration that is pursued within a bachelor's degree program
- A student may apply credits earned as a certificate toward another major, minor, or concentration.
- Students are awarded separate diplomas for each certificate.
- Academic certificates are listed on the official transcript.]

DIPLOMA & TRANSCRIPT

- Undergraduate diplomas are printed with degree, major and Latin honors and are not considered official documents.
- Graduate diplomas are printed with degree and major and are not considered official documents. Graduate students do not earn Latin honors.
- Apostilled diplomas include a letter of authenticity, are notarized and are considered official documents for international students.
- Military College of Vermont (MCV) diplomas are awarded to Cadets who have met requirements set by the Commandant as published in the Corps of Cadets & ROTC (<http://catalog.norwich.edu/archives/2018-19/residentialprogramscatalog/student-services/corp>) section of the catalog.
- Transcripts are official student record of all courses enrolled in and the grades earned.

- Undergraduate transcripts are printed with degree, major, minor, concentration, Latin honor. Also Dean's List honors and Academic Standing are listed for each term enrolled.
- Graduate transcripts are printed with degree, major, and concentration
