

Clubs (Academic & Special Interest)

Academic Clubs (AC)

A variety of academically related clubs, societies, and organizations are available for Norwich students. This enables students with similar interests to enjoy and collaborate on academic subjects and take part in professional activities.

Special Interest Clubs (SI)

The list of sanctioned clubs at Norwich is driven by student interest. Some groups, like the Christian Fellowship and Ballroom Dance Club, have been established for quite some time and are enthusiastically supported by the faculty, staff, and student body. Other clubs may be less traditional, and are formed to explore the special interests of a small group of students. To learn how to create a club--and receive funding from the University--contact Student Activities at studentclubs@norwich.edu.

Club Sports Teams (CST)

Sports teams with the opportunity to compete against other colleges and universities in league and tournament contests on campus and at other institutions.

Airsoft Division (SI)

The intent of NUAD is to bring students of all grades and skill together and take part in local airsoft scenarios, games, and team training that take place on campus. All that we ask is that participants be prepared to learn. There is no need for prior knowledge or experience; we will teach you the tools for success.

Arnold Air Society (SI)

An Air Force ROTC based society that focuses on military professionalism, academic success, and civic engagement.

NU Alliance (SI)

The NU Alliance is a club that is dedicated to serving students of all orientations and lifestyles and specifically catering towards the needs and well-being of Norwich University's LGBTQ individuals and their allies. The meetings of the club are focused on providing a safe and encouraging environment for students to discuss and learn about LGBTQ issues and focus on the role of LGBTQ students and their allies in creating a better campus climate for diversity. Meetings are open, fun, and everyone is welcome.

Alpha Chi (all disciplines) (AC)

This is the national college honor society for all academic disciplines.

Alpha Nu Omega (AC)

This is the local Norwich chapter of Alpha Phi Sigma National Criminal Justice Honor Society. Official national web site: www.alphaphisigma.org (<http://www.alphaphisigma.org>).

American Chemical Society Student Chapter (ACS) (AC)

The mission of the ACS shall be to afford an opportunity for students of chemistry, biochemistry and allied disciplines to become better acquainted, to secure the intellectual stimulation that arises from professional association, to obtain experience in preparing and presenting technical material before chemical audiences, to foster a professional spirit among the members, to instill a professional pride in the chemical sciences, and to foster an awareness of the responsibilities and challenges of the modern chemist. Official ACS web site: www.acs.org (<http://www.acs.org>).

American Institute of Architecture Students (AIAS) (AC)

A national student organization that promotes excellence in architecture, education, training, and practice; fosters appreciation of architecture and related disciplines; and organizes architecture students and combines their efforts to advance the science of architecture. This is a club for the architecture students of Norwich University. NU AIAS strives to inspire young designers, encourage networking,

and display opportunities in the field of architecture. To do this, the students travel to architectural conferences, host lecture and film series, and participate in design charettes. Official AIAS web site: www.aiasnatl.org (<http://www.aiasnatl.org>).

American Society of Civil Engineers (ASCE) (AC)

The aim of this chapter is to afford the civil engineering student association with others who share the interest in civil engineering profession, and thus prepare for entry into the profession and the national society. The objective of the Norwich University American Society of Civil Engineers (NU ASCE) Student Chapter is to provide hands on engineering experience to civil and environmental engineering and construction engineering management students. The club contributes to Norwich University by allowing students to gain engineering experience outside of the classroom. Students who have participated in NU ASCE will be more knowledgeable than their peers after graduation. The club competes in several annual competitions, representing Norwich University on a regional and national level. The club also promotes the NU civil engineering department by hosting a High School Popsicle Stick Bridge competition. This competition allows high school students to design, build, and test a model bridge while interacting with students in Norwich's civil engineering department. Official ASCE web site: www.asce.org (<http://www.asce.org>).

American Society of Mechanical Engineers (ASME) (AC)

The Norwich University student chapter of the American Society of Mechanical Engineers (ASME) is an organization that seeks to promote and explore opportunities in engineering. ASME offers students, faculty, alumni, and community members the ability to interact, network with engineering professionals, and provide civil service to the surrounding area. ASME combines scholastic principles with fundamental real-world applications to enhance engineering knowledge and awareness. Students with a strong interest in mechanical engineering gain such benefits as a subscription to cutting-edge technology information in ME Magazine, scholarship opportunities, mentoring within the profession, free conference attendance, etc. Official web site: www.asme.org (<http://www.asme.org>).

Anime Society (SI)

This club was founded to foster the interest of anime among Norwich students. The Anime Society participates in conventions throughout the northeast.

Association for Computing Machinery (ACM) (AC)

ACM members do their best to make Norwich University a better place to study computers and related technology. To promote exploration of the world of computer science and engineering, and the creation and sharing of knowledge with one another and the larger ACM community, the Club regularly hosts events such as LAN parties and guest presentations by industry leaders and faculty.

Ballroom Dance Club (SI)

Our goal with the Norwich Ballroom Dance Club is to present students with the opportunity to learn a valuable skill for their future plans while still having fun. We want to extend the opportunities beyond just learning and practicing by providing experience outside of our campus meeting place through ballroom dance competitions. The Ballroom Club allows people to dance with a variety of partners, of which many will become lifelong friends; it is a way for students in different courses of study to meet new people who share a similar interest. Ballroom dancing is also a beneficial skill to learn for the future, whether our members are joining the armed forces or entering the business career field upon graduation.

The Norwich University ACHA (Club) Hockey team is a Division 1 member of the American Collegiate Hockey Association and North East Collegiate Hockey Association. The team competes with other ACHA and NECHA sanctioned teams and prep schools throughout New England and Eastern New York. The team competes for a NECHA title as well as a spot into the ACHA regional and national tournaments. The team holds tryouts every October and anyone interested is encouraged to contact the club.

Club Women's ACHA Ice Hockey Team (CST)

The purpose of the Women's Club Ice Hockey Team is to establish a team to play a competitive schedule of games against other club hockey teams in the IWCHL. The team will also practice multiple times a week at Kreitzberg Arena. The team holds tryouts each year, and carries a roster of 25 players.

Consulting Club (SI)

The Norwich Consulting Club is a student-run organization that intends to provide information, education, and practice for students interested in consulting. A career in consulting can be very rewarding due to the inherent leadership development, diverse learning opportunities, career development, and compensation. Our goal is to provide information to students about the possibilities that exist and how to successfully pursue a career in consulting. This will be done by providing members with general information, studying actual consulting frameworks, and practicing real case studies.

Soccer Club (SI)

The Norwich University Soccer Club is dedicated to allowing anyone to enjoy the sport of soccer. We provide a friendly but competitive environment for anyone that is interested in playing. We compete in local leagues in indoor and outdoor seasons, with practice being optional and every day. Come out and enjoy the music and the game.

Club Track Team (CST)

The Norwich University Club Track Team was founded many years ago; and was revived in 2012. The events for the club range from running the 50m dash to the 5k race. Also, the only field event as of now is the shot-put (men's and women's). The Track Team is open to any NU students interested and there are no qualification times or distances. We meet three times a week for practice and have several planned races. Currently there are roughly 50 students who are members of NUTF; the NUTF has the

goal of becoming a varsity sport for the University. "From many events, one team".

Ultimate Frisbee (SI)

The purpose of the Club Ultimate Frisbee Team is to provide students who are interested in playing, or learning to play, Ultimate Frisbee a place to do so. Activities include contest as events and tournaments at other colleges and universities. The team also provides students an outlet to get to know new members of the Norwich Community as well as to hopefully branch out to others schools in the area as well. Ultimate is a noncontact, self-refereed sport and therefore helps with physical health but also helps to build character. Because of its 'Spirit of the Game' rules, players are taught negotiation, leadership, and communication skills. But most importantly, it is about having fun in a safe environment.

Norwich Shooting Association (NSA) (SI)

The Club Shooting Team is comprised of students from all shooting disciplines and abilities, from those who have never shot a firearm before to those can complete at the highest levels in their chosen events. The team currently has a wide variety of fire arms and is always working to find new and different ways to compete. The team shoots at a fifty foot indoor range located 5 miles from the University.
