Leader Development at Norwich

To continue the Norwich tradition of producing the best leaders in the nation, students participate in a leader development program, whether Corps or Civilian. Students are required to have a basic understanding of leadership theory and principles which is accomplished through Leadership 101, and will have additional opportunities to engage in challenging leadership positions throughout their time at Norwich. Students may choose to continue their leadership learning through the Advanced Leadership Seminars. Students who complete the Advanced Leadership Certification are recognized at graduation for their efforts and have the opportunity to apply for membership in Omicron Delta Kappa, the National Leadership Honor Society. The Office of Leadership and Student Experience and the proposed Norwich Leadership and Change Institute, in conjunction with the Norwich Master of Science in Organizational Leadership program, offers the following:
